**SAVE THIS NATION**

*In the days of the Civil War, a personal friend of Abraham Lincoln was a visitor at the White House. One night he was restless and could not sleep;... from the private room where the president slept, he heard low tones, for the door was partly open. Instinctively he wandered in, and there he saw a sight which he never forgot.*

*It was the president, kneeling before an open Bible;...*

*His prayer: 'Oh, thou God, that heard Solomon in the night when he prayed and cried for wisdom, hear me. I cannot lead these people, I cannot guide the affairs of this nation without thy help;...O God, hear me and save this nation.'* “
