OUR HERITAGE

*All of us are in debt to the past.
We drink from wells we have not dug;
enjoy liberties we have not won;
share our democracy resting on foundations of faith and sacrifice
others gave.
That’s why giving to the church is so important.
We need to share our faith in appreciation for all we have received
so freely.*

*Were I not the son of a king, I would not care what company I kept;
but being the son of a king, I must employ myself in such company as
is suitable to my birth and breeding.*
